Our Goal...

Connecting with the Community

through **SALVATION ARMY 2027 Calendars**

Give families a calendar that sends the transforming message of Jesus with power to make lives anew.

We are asking **YOU**, the Corps, to consider the purchase of Salvation Army calendars as a means of making a difference in the community. Our mission is to deepen spiritual life, united in prayer, imploring people to seek Christ. Providing a calendar to donors is a great way to do exactly that.

- Calendars are displayed at home and in the workplace—they are **viewed by dozens if not hundreds** of visitors and customers each day.
- The calendar offers **365 days of inspirational value** and acts as a constant reminder of the positive impact the Salvation Army makes in your community.
- **Becoming a part of your customers' daily lives** begins with your custom copy featured on the calendar you give them.

What kind of a difference will the calendar make in your community?

1. The calendar is a great way to give back to the community by providing spiritual inspiration. Each month features scripture to inspire.
2. It starts with your custom imprint. We can customize the calendar to feature whatever copy you provide to promote the Corps in your community (address, pertinent information, hours of your thrift store, etc.).

What is the cost?

Your cost is \$1.59 each (1-Color Imprint – Black) or \$1.77 each (2-Color Imprint – Black and Red) including your custom imprint for 100 or more calendars. This is a great value. For orders of 50 to 99 imprinted calendars an additional \$30.00 will be added. No imprints on orders under 50 calendars.
