

Clorox Urine Remover

For Stain and Odor Removal

Even the Toughest Urine Stains and Odors Don't Stand a Chance

Clorox Urine Remover is specially formulated to quickly break down urine odors and stains. Stains are removed quickly through the oxidative chemistry of hydrogen peroxide and cleaning power of surfactants.

Don't Let Urine Stains And Odors Tarnish Your Reputation

- ▶ Bleach-free formula works on hard and soft surfaces
- ▶ Specially formulated for tough-to-clean porous surfaces such as grout, carpet and mattresses
- ▶ Quickly addresses short- and long-term urine stains and odors
- ▶ Suitable for outdoor use, including concrete, sidewalks, pavement, outdoor tile and grouting stains

Clorox Disinfecting Bio Stain & Odor Remover

A Bleach-free Stain and Odor Remover

Accidents involving human soils such as **blood, feces and vomit** can happen every day in your facility. **These soils** can leave behind tough stains and odors. But did you know that they may also contain germs that can **spread illness throughout your facility** if they are not **properly** cleaned, disinfected and sanitized?

Almost 50% of Professional Cleaners experience spills of **blood or feces** every day.¹

100 Billion – norovirus particles per gram of contaminated feces.²

Norovirus is extremely contagious, it is estimated to take as few as **18 viral particles to get you sick**.³

In the U.S., approximately 22,000 new acute cases of bloodborne **Hepatitis B** infection occur every year.⁴

An estimated **\$600 million** cost to U.S. healthcare is due to norovirus annually.⁵

Now clean, disinfect and deodorize in one step

- Cleans and eliminates common everyday bio soils on hard and soft surfaces:
 - ✓ Blood
 - ✓ Vomit
 - ✓ Urine
 - ✓ Feces
 - ✓ Sweat
 - ✓ Body Oils
- EPA-registered to kill 19 pathogens found in bio soils in as little as 30 seconds.* (See table at right)
- Kills 99.9% of bacteria on soft surfaces
- Compliant with OSHA's Bloodborne Pathogens standard.

Bacteria	Vancomycin-resistant <i>Enterococcus faecalis</i>	5 min
	<i>Escherichia coli</i>	5 min
	<i>Proteus mirabilis</i>	5 min

The Visual Proof

Stain remover: Strong cleaning performance on soft surfaces.

- ▶ Removes fresh stains
- ▶ Removes dried-on stains

Ideal for Use in Hospitality, Educational and Healthcare Settings

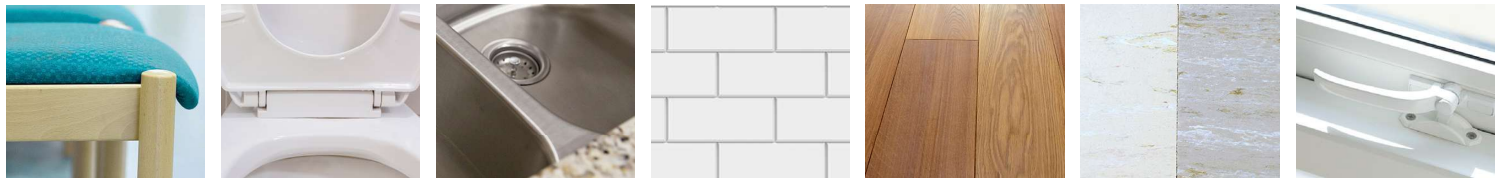

The Science of Clean

With the oxidizing power of hydrogen peroxide and the stain-lifting power of surfactants, the unique formula is specially formulated to clean, disinfect and remove odors in one easy step.

The formula breaks down bio soils at a molecular level and destroys the cell structure of odor-causing bacteria, so the bad odors don't come back.

Use Across Multiple Surfaces

- ▶ **Soft Surfaces**
 - Fabrics
 - Upholstery
 - Mattress Surfaces[†]
 - Curtains
 - Carpets[†]
- ▶ **Glazed Porcelain**
 - Toilets, Sinks
- ▶ **Sealed Granite**
- ▶ **Stainless Steel**
- ▶ **Laminated Surfaces**
 - Glass
 - Chrome
 - Grout
- ▶ **Floors**
 - Vinyl
 - Sealed Hardwood
 - Linoleum
 - Laminate
 - Ceramic Tile
 - Porcelain Tile
- ▶ **Common Plastics**
 - Acrylics
 - ABS
 - Polypropylene
 - PVC
 - Polycarbonate
