

WORKDAY WATER BREAKS JUST GOT COOLER

Keep your employees refreshed on the job

WATERBREAK[®] ICE

- Easy, efficient and enjoyable
- Filtered water and chewable ice for chilled beverages
- No heavy bagged ice or jugs of water
- Consistently clean, professional look
- No upfront investment with affordable monthly billing

WaterBreak[®] ICE 700009-SA

SERVICE THAT NEVER LEAVES YOU IN THE COLD

1 During quarterly scheduled visits, your Cintas professional arrives and checks in with you.

2 Your unit is scanned, cleaned, sanitized and a functionality check is performed.

3 Internal sanitizing and descaling are performed twice a year, and the filter is changed as needed (at least annually).

4 Your Cintas professional follows up with you and reviews the services provided.

YOUR ALL-IN-ONE WORKPLACE WATER AND ICE SYSTEM

- Produces up to 165 lbs. of ice daily with 16.5 lbs. of ice storage capacity
- Hot and room temperature water available
- Quiet production without noisy harvest cycles
- Durable, sleek, fully serviced dispenser
- Internal LED UV light improves cleanliness of water and ice reservoir
- 23.6" H x 14.2" W x 23.6" D
- Optional base to make the unit freestanding
